City, State, Zip	
Phone Number	
Bid Price per Head	
Minimum # at This Bid Price	
Maximum # at This Bid Price	

Requirements of Steers:

- Steers may range in weight from 450-600 pounds.
- No obvious American Breed Characteristics can be evident.
- All surgical procedures must be healed prior to selection.
- Cattle must be dehorned, castrated, and healed prior to selection.
- Steers must be tie broke at selection.
- If there is an issue with any steer it will be eliminated from the draw.

Timeline:

- Bids will be awarded in March along with an approximate number.
- Steer numbers will be secured and provided to you in April.
- Delivery will be between May and June to Katy, Texas.
- Breeders will provide an average of 15% overage in regards to actual selection numbers needed. Hence if we need 24, our venders provide 28 total. In this case, four will be unsold.
- If selected, there are additional forms that also must be completed, signed, dated and returned promptly to the district.
- Feel free to attach any supporting documentation, references or services you would provide for our exhibitors. (Not to exceed 2 pages)
