

February 1, 2021

Dear Prospective Buyer,

Welcome to the 2021 Katy ISD FFA Livestock Show! We are excited that we are able to provide our FFA students the opportunity to show their animal projects this year. As you may imagine, we have had to adjust the show to be in compliance with district protocols, which are based on the CDC guidelines, to maintain the safety of our students, parents, teachers, and community.

This packet is filled with a wealth of information on the changes that you can expect this year. One important change is buyer's registration. All buyers and buyer groups, whether you have purchased before or you are new to our show, will have to register as a *new buyer* in our system.

Additionally, this packet includes instructions on how to purchase student add-on's, participate in the in-person and online auction, barn sale, and the allowable payment methods taken on-site during the auction and barn sale.

Please read through this packet carefully. If you have questions, please contact me at (281) 396-7807. We appreciate your continued support of our students. We look forward to seeing you at the 2021 Katy ISD Livestock Show.

Sincerely,

Guy James
